## **GROWER BULLETIN**

### **NOTICE OF WAREHOUSE ALLOCATION**

Under the terms of your Tree Top membership agreement, it is very important that both Tree Top and your warehouses are made aware of what you intend to be delivered by each warehouse to Tree Top on your behalf.

Earlier this crop year, we sent notification along with your history of delivery, and asked that you contact our Field Services Department for assistance or that you return the completed form notifying us of your intentions.

Because we did not receive a response from you, we are making the assumption that you will be allocating your tons on the same percentages of total fruit delivered by your selected warehouses this past year. If this is not an accurate estimate, it will impact Tree Top's ability to receive your fruit.

If you'd like to make any changes in your estimate of fruit to be allocated or delivered by each of your selected warehouses, please notify your Field Services representative at one of the telephone numbers below as soon as possible.

Thank you for your prompt attention and response.
